

A large, ornate chandelier with many glass spheres hanging in a modern interior space. The chandelier is composed of numerous small, clear and gold-colored glass spheres of various sizes, arranged in a dense, vertical cluster. It is suspended from the ceiling of a modern building with a curved glass railing in the foreground. The background shows a well-lit interior with a curved wall and a door.

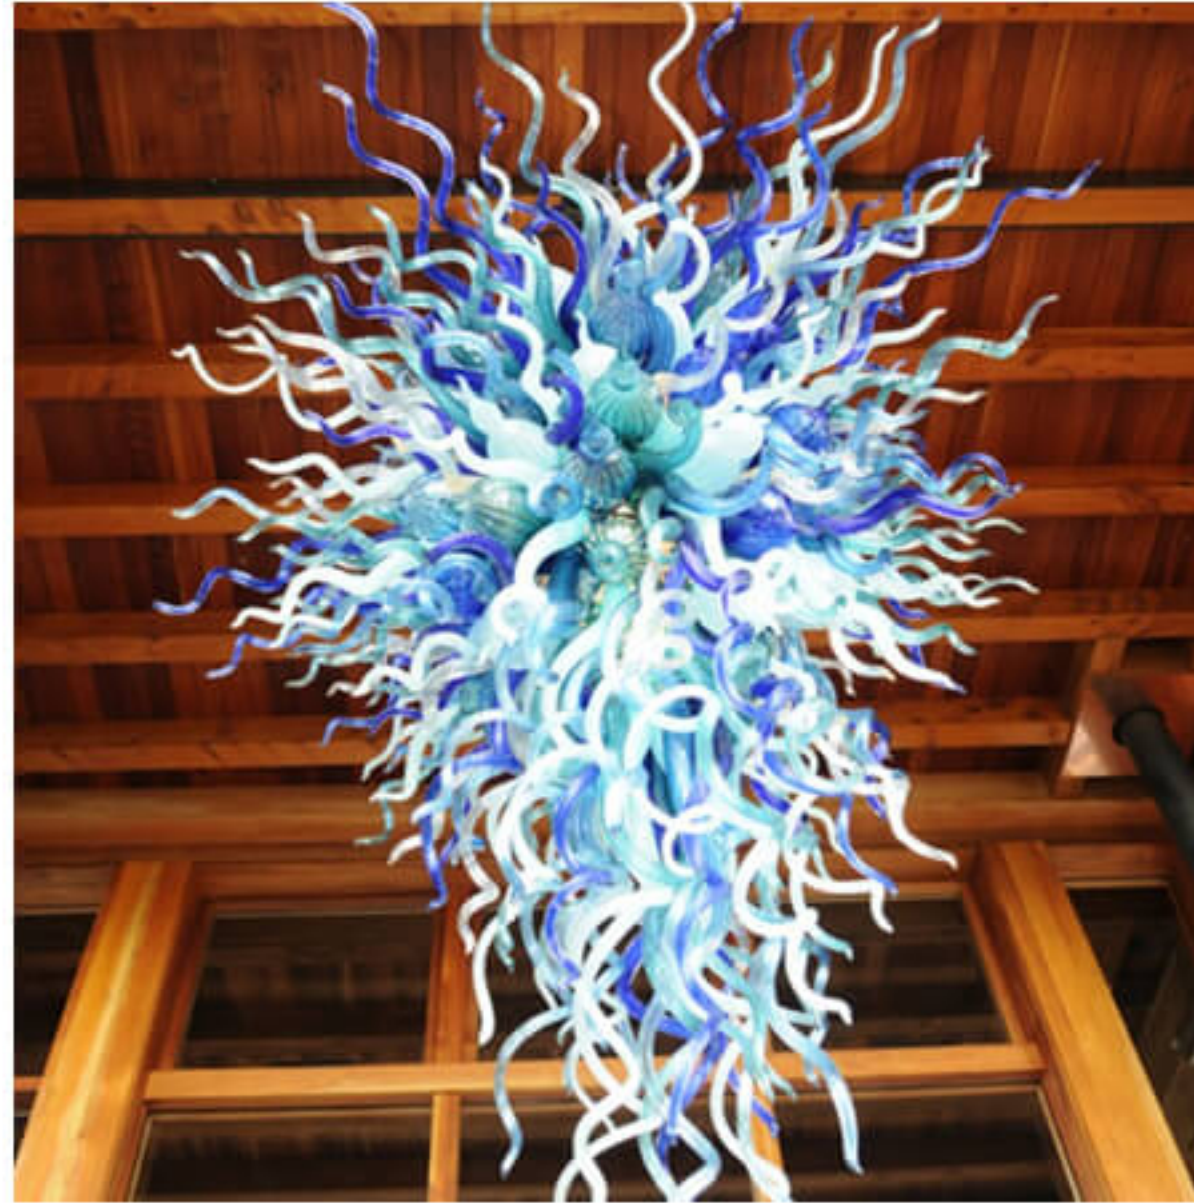

ART GLASS CHANDELIERS

*All chandeliers can be custom made
according to your size.*
